I, Frederic Patenaude, want to confirm the purchase of resale rights license for the Italian language by Marco Benedettini

This license was purchased for the sum of \$6500 (US Dollars) by Marco Benedettini.

A wire transfer of \$6500 was paid by Marco Benedettini and received by Frédéric Patenaude on June 24th, 2013.

The license purchased gives exclusive and complete Italian language translation and resale rights to Marco Benedettini for all my books (whether digital or physical), articles, audio material, video material and other related marketing information published from 1997 up until the June, 2013.

The intent of this transfer is to allow Marco Benedettini the right and ability to translate all of my published material and also adapt it as she sees fit for an Italian-speaking audience. The following benefits are granted:

- Rights to translate all of my published material into Italian language
- Right to sell and keep all profits generated from the sale of those materials
- Right to adapt my material to an Italian audience.
- Right to combine chapters from different books and articles to publish them under a different book title
- Right to sell all of my material under any format (digital, physical, video with subtitles, etc.)
- Right to publish articles written by me that are shorter than 3000 words without mentioning me as the author, and attributing ownership of content to another author.
- Right to publish books through a third-party publishing company

## **Other Clarifications:**

- All rights granted are for life and do not expire
- Rights are exclusive. I guarantee that no one else but Marco Benedettini will be granted or sold any Italian language translation and resale rights to my books and products published between 1997 and 2013.
- All rights granted are non-revocable
- Files of all books and products have been transferred to via Dropbox or FTP to Marco Benedettini by June 24<sup>th</sup>.
- Articles will not be transferred but include all articles located on the websites [www.fredericpatenaude.com](http://www.fredericpatenaude.com) and [www.dowhatyoulove.com](http://www.dowhatyoulove.com). The license gives the right to translate and use all of these articles.

- While the license gives full translation, adaptation and resale rights of my books and other material to the Italian language, it is given in good faith that the translation will be accurate and reflect the views expressed in the original works.
- Rights extend to all countries and territories, but are limited to the Italian language.
